FROM : Industrial Training Coordinator,
(Bac. Of Process and Food Engineering)

DATE : 28 / 2 / 2023

SUBJECT : Internship Application

Dear Sir/Madam,

With reference to the above matter, I would like to confirm that this student (**NIK HABIBAHTUL AISYAH BINTI HUSSIN**) with Matric number 208206 and IC number 010529-03-0138 is a third year student in the Department of Process and Food Engineering, UPM. Industrial training is a part of the requirement for our programme. The objective is to expose students to real, practical, vibrant working experience.

We would like to seek your approval to place the students for internship commencing from **17th July 2023 until 24th September 2023 (10 weeks)**. Please kindly fill in the **LATIN01** form and return it to us as a proof of acceptance of the student for the internship at your company.

We are confident that your organization will be able to provide the necessary technical knowledge and help to develop their soft skills as well as at the same time expose them to the norms of working in the industry.

Your cooperation is highly appreciated.

Thank you.

"With Knowledge We Serve"

Sincerely,

(DR. NUR HAMIZAH ABDUL GHANI @ HASHIM)

ALPHABETICAL SYMBOL

- AU Audit.** This symbol denotes that a student has registered, attended lectures and has sat for the course examination.
- M Satisfactory.** This grade alphabet is given to the result of courses which are not graded but indicated as a pass.
- TM Unsatisfactory.** This grade alphabet is given to the result of courses which are not graded but indicated as fail.
- S Continue.** This alphabetical symbol is used for any coursework or project that requires more than one semester to complete. A coursework or project given an 'S' symbol is not given a grade point and its credits are not considered for graduation requirement but only for determining the minimum credits taken in a semester. Credits and grade point for coursework and project will only be considered for the purpose of computing the total credits for graduation and the grade point average when the 'S' symbol is replaced by an alphabetical grade.
- TL Incomplete.** This symbol shows that the student is unable to fulfill part of the requirement of a practicum course such as a industrial training or teaching training. The student shall be given time until the second week of the following semester for completion the course in order to get the full evaluation and grading.

FAIL A COURSE

- The final two semester students who fail a course may be given the opportunity to resit for the final examination for the course.
- A grade F (fail) obtained in any course is not included in the computational of Grade Point Average when a student pass the repeated course. A grade F (fail) will only be included in the computational of the Grade Point Average should the student fail the repeated course.
